What Is BDPA?

I am glad you asked...

Established in 1975 as Black Data Processing Associates, National BDPA, Inc. is a global organization comprising a varied membership of technical professionals and students across all tiers within the domains of information technology, computer science, data science, policy, media, and associated technical fields.

For over fifty years, the Association's alumni and new members are actively involved in advanced technical grassroots programs, community service, and digital workforce transformation initiatives. BDPA continues to play pivotal roles in shaping the future of our tech sector and industrial base across all vertical markets.

What do our clients have to say?

[SAT Math Boot Camp Client Testimonials](#)

Math 1on1 has provided SAT boot camps for my mentoring program Lawrenceville-Duluth Alumni Chapter Guide Right for the past 2 years. Our students have realized improved Math scores ranging from 30 - 90 points.

Michael B.

Gained a lot of information and gave me more confidence in taking the SAT math portion.
