

February is the month of LOVE and African American History.

MATH 1 ON 1, LLC taught 17 students at the SAT Math Boot Camp sponsored by the Lawrenceville-Duluth Alumni Chapter (LDAC) and the LDAC Foundation of Kappa Alpha Psi Fraternity, Inc. at Roberts Elementary in Suwanee, GA on Saturday, February 16, 2019.

Students who attend high schools in Dekalb and Gwinnett counties including Tucker H.S., Peachtree Ridge H.S., and Parkview H.S. were in attendance for the purpose of improving their math background and learning strategies for earning more points on the math portion of the SAT.

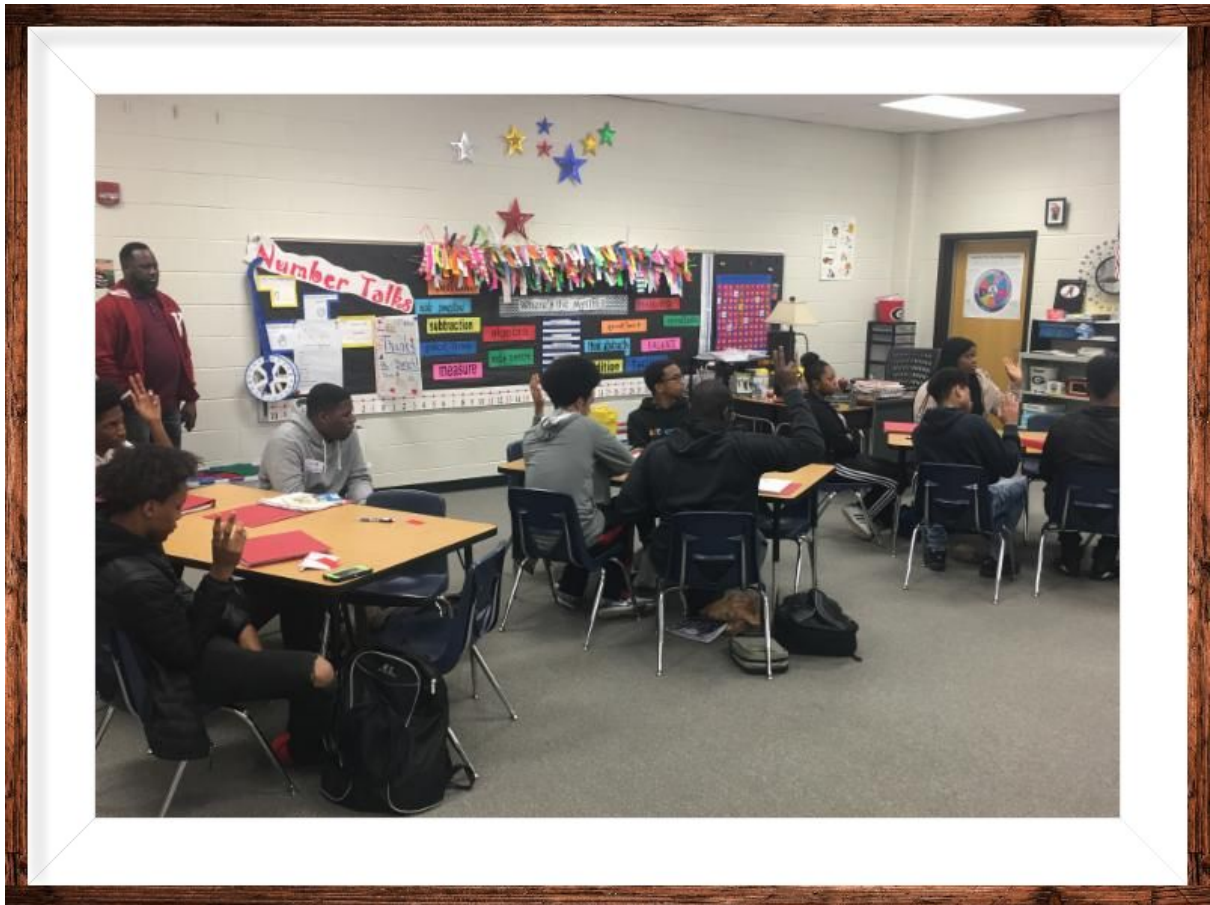

MATH 1 On 1, LLC has been hosting SAT Math Boot Camps since 2010. This is a historical event because this is the first SAT Math Boot Camp that was sponsored and was a fund raising event.
